SRI LANKA

PRISL Awards 2026

The PRISL Awards 2026 is an esteemed annual event organized by the Plastics & Rubber Institute of Sri Lanka (PRISL) to honor and celebrate excellence, innovation, and leadership within Sri Lanka's plastics, rubber and polymer recycling industries.

Purpose and Significance

The PRISL Awards serve as a platform to recognize individuals, enterprises, and organizations that have made significant contributions to the advancement of the polymer sector in Sri Lanka. By acknowledging achievements across various categories, the awards aim to inspire continued innovations, promote sustainable practices and elevate the standards of the plastics, rubber and polymer recycling industries.

About PRISL

The Plastics and Rubber Institute of Sri Lanka (PRISL), established in 1960, stands as the premier professional body dedicated to advancing plastics and rubber technologies in the country. With a steadfast commitment to industry development through education, research, and innovation, PRISL plays a pivotal role in nurturing technical expertise and promoting sustainable growth. The Institute fosters excellence by maintaining strategic partnerships with regional and international organizations, ensuring that Sri Lanka's plastics and rubber sectors remain aligned with global standards and emerging trends.
